

REVISED FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: April 18, 1996

SUBJECT: **SB 794 - HB 893 (REVISED)**

On March 9, 1995, we issued a fiscal note on this bill which indicated that:

The fiscal impact from enactment of this bill is estimated to be an increase in state revenue and expenditures. A reasonable estimate of the increase in revenue and expenditures cannot be determined but is estimated not to be significant.

This estimate was based upon information received from the Office of the Attorney General which has now provided additional information regarding the cost to that agency to bring action against persons engaged in the unauthorized practice of law.

The fiscal impact from enactment of this bill, based upon the additional information furnished by the Office of the Attorney General on April 15, 1996, is estimated to be an increase in state expenditures of \$95,200 for additional staff for the Office of the Attorney General. Details are as follows:

2 Paralegals	
Salaries	\$40,000
Benefits	10,000
Operational expense	30,200
Furniture & equipment	<u>15,000</u> one-time
	<u>\$95,200</u>

Enactment of this bill is also estimated to result in an increase in state revenue; however, the amount of such revenue is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
